What	is the Procurement
<b>Excel</b>	lence Boot Camp?

Through the development of the Procurement Excellence Boot Camp, the El Paso Hispanic Chamber of Commerce and the City of El Paso intend to develop local and regional entrepreneurs into contractors that understand commercial, local, state and federal contracting and to use that to scale and grow their businesses through these avenues. Our goal is to help local businesses identify, bid on and win commercial and government contracts! Attendees from all 6 cohorts will receive a certificate of completion and guidance on creating an effective capability statement. There will be two different cohorts running simultaneously, Basic and Advanced Contracting.
